## Trolley Stop Cart – Catering - Drop-Off Services

### What Service Is Best For Me?

*From these services, we can customize whatever it takes to meet your needs. If you want sides instead of chips on the cart... we can do that. You want soda instead of tea and lemonade on a tabletop.... we can do that too. We can accommodate just about any request you may have.*

*If you do not have the room for the hotdog cart, but want to keep it “casual,” we have the “casual tabletop” service. It is the same service as the cart service, but no cart, and we cook & serve from a tabletop using the electric warmers to heat the hotdogs in place of the hotdog cart. If the tabletop service is to be outdoors, we may bring propane warmers to heat the hotdogs and buns rather than having to run extension cords for the electric warmers.*

*Just want the hotdogs & toppings for your party..... then you supply the chaffing dishes to keep the dogs hot, and we will bring you the dogs and toppings in aluminum pans. Check out our two “drop off service” options available to meet your needs.*

### Hotdog Cart Service – is a Casual Service

*This is a casual service where we bring coolers of soda and water, and a bin of mixed chips. From the hotdog cart, we serve the hotdogs with all the Trolley Stop toppings. We do not supply paper goods or cups other than paper hotdog boats for the hotdog, carry box to carry two or more hotdogs, and paper towels in place of napkins.*
